

TFS Series
SMD Power Inductor

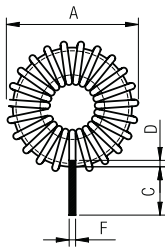

FEATURES

- Current loading up to 5A
- Iron powder cores with low loss
-
-
- Custom designs on request

APPLICATION

-
-
-

Dimensions: [mm]

Electrical Properties: ($I \leq 1A$)

							36		
							37		
							43		
							56		
							68		
							68		

								R	DC

Electrical Properties: (I < 3A)

								R	DC
							58		
							68		

Electrical Properties: (I = 3A)

								R	DC
							35		

Electrical Properties: (I ≤5A)

								R	DC
